I am writing on behalf of Rami Almuttan. I have known him professionally and personally for over 13 years since my contracting business has regularly completed projects with him and his family.

Over the years, I have seen him demonstrate good character and judgement as a businessman and citizen. He is a very diligent worker and typically works seven days a week in his family owned supermarkets. I have always been very impressed by his work ethic and good humor.

For example, several years ago I was involved in a construction project with a relative of Mr. Almuttan. The customer and I were at odds over payments and timelines and Mr. Almuttan contacted his relative to offer his assistance as a third party.

If I can be of assistance in any way, please contact me anytime.

To whom it may concern:

I am writing this letter because Rami Almuttan asked me to provide a character reference on his behalf. I met Rami about 4 years ago when I became his food sales rep at Northway Supermarket. I feel I am qualified to speak on his behalf in terms of character.

Throughout the time I have known Rami, I have formed a very positive opinion of him. He always has a smile on his face and greets every customer with respect. His market is not located in the best areas but yet knows everyone that comes in and provides them with the best services. I have witnessed him help out the homeless with a warm meal and also provide people with small jobs around the market to put some money in their pockets to help them with their children. The way he treats me, and his customers is nothing but professional and courteous.

Not only do I like Rami, I also respect him. I felt honored to be asked to provide this character reference and hope that the information I provided helps you understand what an outstanding individual Rami Almuttan really is. If I can be further assistance, please call me at 314-740-7725 or contact me by email at wilsonbiggin@att.net.

I am writing this letter because Rami Alimutan asked me to provide a character reference on his behalf. I met Rami 6 years ago when his business accounts were transferred to me from another colleague that was moving on to another company. Rami has continued to care for his customers and provided a positive service to the community for which he provided for. I had witnessed first hand his compassion and kindness towards his customers and how he generously provided services to them. I also witnessed how he continually showed his care and commitment to his family and friends.

To Whom It May Concern:

I have known Mr. Rami Almuttan for several years now. Throughout the times I have known him, he has always had a pleasant demeanor. He works with his brother at a neighborhood, family owned and operated convenience store. All the customers hold him in high regard.

As a result of his professionalism, his kind and courteous personality, the local chapter of the National Association for the Advancement of Colored People (NAACP) holds Rami in good standing, in the neighborhood in which he works as well as the community in which he lives.

If you have any questions or need additional information, please feel free to contact me.

Sincerely,
